SUMMARY: The prime time group was scheduled too late, and some top athletes asked to lift at an earlier session because of the start time. I (Kurt Roderick) allowed them to lift in the earlier sessions, but this made the sessions too big and caused us to run 20 minutes over. Otherwise the meet ran very smoothly, and we had a great time with great lifting.

BEST MALE LIFTER: Shakhzod Xudayberganov (Robi Points)

BEST FEMALE LIFTER: Courtney Candullo (Robi Points)
