Event Summary:

The competition was well-run and well-attended. The number of entries were below expectations but were similar to last year's event. The December event is more popular. Our normal scoring and timing team were unavailable, and we were not able to find another electronic based team. Jim Storch, who is very experienced did a great job using a manual system. The facility had plenty of space for warming-up and the overall layout works well for these events.

Outstanding Master Female: Sarah Fredette

Outstanding Master Male: JD Mata
