Event Summary:

The competition was well-run but ran behind the published schedule on both days of the event. The venue was spacious, well-lighted and superbly organized and there was plenty of available parking. There were ample rest room facilities for both males and females. The warm-up area consisted of eight platforms with more than ample space for coaches and athletes. All facilities were well maintained throughout the event.

The streaming video system was setup and run by Ian Matlack.

The organizers wish to thank everyone involved in the event for their tireless efforts and their contributions to making the 2021 NYS Championships a first-class event.
