 - Marshall: Ginelle Wynter, 197461
 - Speaker: Willie Xu, 186661
- SESSION 2:
 - Weigh In: Kurt Roderick, 175568
 - Weigh In: Juan Blanco, 169838
 - Referee #1: Beth Terranova, 151353
 - Referee #2: Sara Soto, 208164
 - Referee #3: Allison Gold, 194886
 - Marshall: Ginelle Wynter, 197461
 - Speaker: Willie Xu, 186661

ANY ISSUES? No

ANY POTENTIAL SAFE SPORT VIOLATIONS? No

USADA DRUG TESTING? No

EVENT SUMMARY:

This was our first in person post-lock down competition. We required masks on at all times (including on the competition platform), screening, no spectators, limited entries, and gloves for loaders. We also had the competition platform by our open gate and had fans on to vent the air. For weigh in we had it an open room with blinders for the person to give them privacy. We also required that they weigh in with their singlet.

We did not have medals, but we did have many performances of note. Dianna Irizarry was able to successfully complete an unofficial American Youth Record in the Clean and Jerk (96kg). She did not cut weight for the competition, but we are excited for her to compete at Junior Pan American Championships in a month. We also had a National Qualifying performance from Michael Mo who set new Metropolitan LWC records in the Clean & Jerk with a 135kg effort AND in the total with 241kg as a 67kg senior lifter (pending approval by the board). We also had an excellent performance from Kelly DeLear for her virtual submission to the 2020 Master's Pan American Championship.

Overall we were extremely excited to be able to lift in person safely, and the meet was run well and on time.
