Were there any issues that took place in the competition? Only minor user error software issues.

Any potential safe sport violations? No.

Did any drug testing officials from USADA show up and test anybody? No.

Event Summary:

The event ran to the published final schedule. We had 9 first time lifters participate and 5 new registered LWC referees take the exam prior to the event. Volunteers did a great job loading and maintaining the competition platform. Lifters were supportive of one another. Overall it was a great atmosphere and fun day for all involved.
